News, Prayer & Events for February 2020

NOTE FROM OUR PASTOR:

Except the Lord build the house, they labor in vain that build it; except the Lord keep the city, the watchman waketh but in vain. Psalms 127:1 (KJV)

King Solomon said it is in vain that we build the church. The word “vain” means “producing no result or useless.” A successful church is built by God, fueled by His power, and set aflame by the Holy Spirit.

Men’s ideas and programs fade quickly, are unproductive, and useless to the kingdom. As the church, let us always remember it cannot be done without God, without His plan, His presence, His power, and His Holy Spirit!

So, let us move over and make room for his divine plan in our church, as well as every area of our lives.

"Contemplation for the Soul" Note!

Did you know that David's slingshot was a powerful ballistic weapon? The sling was a missile weapon used by ancient armies, notably Assyrians. Ancient slingers were praised for their accuracy. The bible mentions that the **tribe of Benjamin had seven hundred left-handed slingers** who could throw a stone at a hair's breadth and not miss (Jge 20:16 and 1 Chr 12:2). David did not fight Goliath on the latter's terms; instead, he possessed the distinct advantages of agility and ability to strike from a distance. His selection of weapons was unconventional, but it **demonstrated his great faith in God**, and skill as a tactician, which would later serve him well as a military commander, guerilla fighter, and king!

"Let us hold unswervingly to the hope we profess, for He who promises is faithful. And let us consider how we may spurn one another on toward love and good deeds."

Hebrews 10:23-24
